Subject: Trending in the media calls
[removed.txt](#)

Media and community calls today are focusing on Refugio Park closure.

Eric H. provided a statement for JIC to respond with and then we have been directing everyone to the appropriate State Parks link.

Eric had mentioned in a UC meeting earlier this week that a decision about continuing the close beyond the 16th would need to be made today.

Could the JIC be alerted when this decision is made so we can update our talking point?

Thanks
